

St. Michaels Harbour Inn, Marina & Spa invites you to
Plan your Perfect PJ Party

August 24th 2004, St. Michaels, MD: Bob Pascal's waterfront property in beautiful St. Michaels Maryland has released its winter package specials for the 2004/2005 season. The hotels frequent guests will be delighted to see that old favorites return, but this season the new Spa is buzzing with the "Plan your Perfect PJ Party" package.

The hotel amenities include 46 spacious suites which command spectacular views across the Miles River, with 2 double beds and separate lounges with sofa beds, these rooms are ideal for that fun girls' getaway.

The PJ Party allows guests to custom plan their own girls' night in. Once room reservations are completed ladies will chose from a wide selection of music CDs, movies and games to enjoy while chatting and relaxing in their suites – Slumber Party style! Food & Drink choices are abundant, keep it healthy or overdose in chocolate, break out the bubbly or make it a "Sex and the City" night with Cosmo's. The party package allows each guest to make it their own, put on their pajamas (yours to take home) and have fun with their friends.

And it gets better! The luxurious Spa at Harbour Inn opened in May and the ladies will be relaxed, rejuvenated and restored with their choice of Spa Services. Located on the third floor, the Spa is designed to compliment the hotels distinctive style, using beautiful recycled woods, natural stone tiles and warm, inviting colors. Yet many new design concepts give the Spa a more modern feel; a five foot waterfall greets guests and a soothing relaxation room allows time to transition client's thoughts from their busy lifestyle to the rejuvenating services ahead of them. Choices for the PJ Party include a soothing 60 minute massage, SkinCeuticals facial treatment or a Detoxifying Seaweed Body Wrap. Hand and Foot Treatments have also been designed to beat the winter effects on the skin.

Rates begin at \$595 for 2 guests on a 1 night midweek stay with 2 Spa Services each to \$995 for 2 people for a 2 night weekend stay that includes 3 Spa Services for each guest. Rates are available for up to 4 girls sharing a room. Package runs from November 2004 through April 2005.

St. Michaels Harbour Inn & Marina & Spa is a destination resort comprising 46 spectacular waterfront suites & guest rooms, a 50 transient slip marina, two restaurants featuring casual and intimate dining experiences, conference & banqueting facilities and a full service Spa. St. Michaels, Maryland is the Heart & Soul of the Chesapeake Bay. This quaint waterfront village on the Eastern Shore is located on a picturesque peninsula and only a leisurely drive from Washington DC, Baltimore, Philadelphia, Richmond and New York.
